

NOAH'S ARK

INFORMATION & RULES

1. GENERAL

Noah's Ark has been around for over 50 years. Nestled in the open suburbs of Bryanston, Johannesburg, our facilities cater for two groups of maximum 16 children in the age group of 18 months - 3 years and a group of 20 children in the age group of 4 - 5 years. Each group is supervised by a qualified teacher and supported by an assistant. There is ample space for the children to play outside during playtime with a large lawn and a safe and fun playground on the property. The Preschool is situated on the premises of the Lutheran Church North Rand, where, in addition to the classrooms there is a spacious playground. We are a Christian Preschool and operate under the auspices of the Lutheran Church North Rand and are represented by the Pastor and the Congregational Council.

2. EDUCATIONAL GOALS

- 2.1. Our goal is to enrich children's lives with creative teaching based on Christian principles.
- 2.2. The tuition is conducted in both English and German. We actively familiarise the children with the two languages, culture and traditions.
- 2.3. Being a Christian Preschool, we teach Christian values by means of songs, games, prayers and celebrations. Once a week the children attend a short devotion in the Church, conducted either by our Pastor or Preschool Teacher.
- 2.4 Once a week an "intra-mural" Adventure Play is offered which is conducted by Clamber Club.

3. ADMISSION

- 3.1. The minimum age for acceptance into Noah's Ark is 18 months.
- 3.2. An application form is to be completed and a non-refundable application fee of R1000 to be paid. Once the child has been accepted, a refundable deposit of one month's fee will be charged.
- 3.3. Once the child has been accepted, immunisation documents and birth certificate must be delivered to the church office.
- 3.4. The following items will be needed by your child:
 - A small backpack
 - A change of clothing (please label the clothes)
 - Daily portions of healthy food and a water for breakfast and lunch – no juice permitted.
 - Neither sweets nor any personal toys should be brought, except on Fridays, when each child may bring a tricycle, push bike etc.
 - Wet wipes and nappies are required if your child is not potty trained.
 - Please make sure to also supply your children with sun block
 - A sleeping bag can be purchased from the Preschool if your child is enrolled for the Full Day option
- 3.5. Parents need to deregister their child one term in advance in writing.

4. FEES

4.1. Irrespective of which day of the month your child joins Noah's Ark, you will be charged for the full months fee.

4.2. Parents will be informed in writing concerning annual fee increases

4.3. No fees will be refunded in the case of absence from the preschool due to illness or any other reason. The full Term that the child has begun needs to be paid, even if the Child is absent or deregisters before the end of the Term.

4.5. Parents will receive a discount if more than 1 child attends Noah's Ark:

- 1st Child pays 100%
- Siblings/2nd Child receives a discount of 10%

5. ABSENCES

5.1. In the case of absence from the Preschool due to illness or any other reason, the child's teacher should be informed by phone or SMS. This also applies to any cases of infectious diseases in the family.

5.2. A child suffering from an infectious or contagious disease may not attend the preschool until the child is no longer infectious or contagious. A doctor's letter will be needed as proof that the child may return to the preschool.

5.3. If a child is absent for an extended period of time, there will be no reduction in fees for the time of absence. Noah's Ark reserves the right to assess the reason for the absence and to determine whether the child's place will be kept open beyond a period of one month.

6. FETCHING OF CHILDREN

Only persons who are known to the Preschool staff will be allowed to fetch the children. In most cases this will be the parent. Other arrangements (nanny, au pair, and grandparent or family friend) must be made with the teacher in advance.

7. OPENING HOURS

7.1. 07h00 School opens

7.2. 12h30 Half Day pick-up time

7.3. 17h00 Full Day pick-up time (can also be earlier)

7.5. All children should attend school 5 days a week. Our responsibility for your child's safety begins when the child is left in the staff's care and ends when the child is collected by whoever is authorised to do so at the appropriate time of collection.

8. PARENTS INVOLVEMENT

Interaction between the parents and the Preschool staff is an important aspect of our educational policy. We place great value in your involvement and cooperation. Occasionally the Preschool hosts an event for the benefit of the children and/or the community. Participation at these events is encouraged.

9. MARKETING

For marketing purposes, we may occasionally showcase photos of the children in the Noah's Ark environment on our Facebook page. The pictures we take will never show a full-frontal view of any child. Instead, we will focus on side profiles, shots from behind, or from a distance to maintain their anonymity.

Clamber Club SPORTS @ Noah's Ark Preschool

Dear Parents,

Welcome to Clamber Club SPORTS at Noah's Ark!

Clamber Club SPORTS has been involved with schools in the Sandton and Bryanston area for the last few years, and indeed I am extremely honoured that Noah's Ark has given Clamber Club SPORTS the opportunity to be a part of your child's learning experience.

Clamber Club SPORTS aims to promote learning through appropriate movement activity, to stimulate all the senses, and to encourage children to develop a lifelong love for exercise. Our programme covers all the perceptual motor skills such as: eye hand and eye foot coordination, body awareness, spatial skills, bilateral integration, and motor planning. These skills form the foundation for later academic learning.

Children really enjoy the programme and have lots of fun whilst learning and moving their bodies. As a teacher I want to give each Clamber Clubber many wonderful activities and challenges that they will look forward to each week. The classes involve sports skills eg. dribbling a ball, kicking, racquet skills, running, core strengthening exercises, as well as sensory motor activities. The attached newsletter has more detailed information about the programme.

If you have any questions about the programme, don't hesitate to contact me on 082 923 5660 or sports-bryanston@clamberclub.com

Please follow my Facebook page (Clamber Club Sports Sandton) for photos and news about the classes and the programme.

Coach Jess, our assistants, and I will make sure your child is well cared for during the lessons and has a thoroughly enjoyable time!

Kindest Regards

Kirstie Jacobs
